
Jetskis!?

Posted by pete - 2008/05/12 14:20

We were enjoying a nice sail back to Birdham last night when we were buzzed by a jetski who must have been doing 20 knots up the harbour just of Cobnor point. If we are going to pay these harbour dues it would be nice if the harbour was patrolled a bit more, there were jetskiers off eact head all afternoon!
